You'll probably have noticed that some distance markers on the course are being relocated and 100 yard markers are appearing.

Major preparation over the next couple of weeks is ready for Captain's day. Mark has also secured the demonstration / loan of a new device for rolling the greens. The bunkers are to be edged.

The Sports Turf Research Institute will be on course now on the 29th June.

We've involved the Police following recent incidents of vandalism on course.
