## Member News

### 2-Man buggies

Unfortunately, due to technical problems, the buggies were not available as hoped last week. The Committee deeply regret any inconvenience or disappointment this may have caused members. It is hoped to have the buggies available soon. I shall send a separate e-mail when they are ready or arrange for a message to be left on the course information line.

### Courtesies

Will members please note that any reference to courtesies in the "What's on next week" column refers to courtesies granted to other clubs to visit Chesterfield. Courtesies offered to Chesterfield Members will be appearing on the notice board in due course.

The dates to watch out for are: -  
Sunday 9 May; Friday 4 June;  
Wednesday 9 June; Thursday 24 June and Wednesday 4 August.

## Work in Progress

a new feature providing latest news

on course and clubhouse developments

### Course Manager

Hi, I'm Mark Crossley and this is the first chance that I have had to give the members a brief update on some of the work that the green staff have been busy with.

This week we have sprayed the fairways with nitrogen, seaweed and iron (non-toxic).

Drainage work on the 11<sup>th</sup> & 18<sup>th</sup> fairways completed.

The front 9 bunkers are completed and in play.

Work planned for next week: -

Tees and approaches to receive granular fertilizer treatment,  
Back 9 bunkers to be completed and brought back into play,

Low hanging branches around the course to be removed for the

benefit of both members and green staff.

Early season mowing to continue, and we will reduce the cutting height on the greens.

I will provide further updates under [Work in Progress](#) as the season develops.

## Competitions
