- 3 Write down how many putts you holed.

## 2 in the zone

- 1 Putt 5 balls from a position 6 metres away from the hole.
- 2 The challenge is to putt each ball to within 1 metre of the hole.
- 3 Write down how many putts finished within 1 metre of the hole.

## chipping

### 1 eagles nest

- 1 Chip 5 balls from a position 4 metres away from a hole, with a 2 metre radius circle around it (target area).
- 2 The challenge is to chip 5 balls that land within the target area. \*Please note: the balls do not have to finish within the target area.
- 3 Write down how many balls landed in the target area.

## 2 dead weight

- 1 Chip 5 balls from a position 8 metres away from a hole, with a 2 metre radius circle around it (target area).
- 2 The challenge is to chip 5 balls into the target area. \*Please note: the balls may bounce or roll before finishing in the target area.
- 3 Write down how many balls finished within the target area.

## pitching

### 1 bulls eye

- 1 Pitch 5 balls from a position 30 metres away from the edge of the target area.
- 2 The challenge is to pitch 5 balls that land within the target area. \* Please note: the balls do not have to finish within the target area.
- 3 Write down how many balls landed in the target area.

## 2 pinpoint

- 1 Pitch 5 balls from a position 60 metres away from the edge of the target area.
- 2 The challenge is to pitch 5 balls that land and finish within the target area.
- 3 Write down how many balls landed and finished within the target area.

## bunker

### 1 surfs up

- 1 Play 5 balls from a bunker, 5 metres away from a hole, with a 2 metre radius circle around it (target area).
- 2 The challenge is to play 5 balls that land within the target area. \*Please Note: the balls do not have to finish within the target area.
- 3 Write down how many balls landed in the target area.

## 2 sand blast

- 1 Play 5 balls from a bunker 8 metres away from a hole, with a 3 metre radius circle around it (target area).
- 2 The challenge is to play 5 balls into the target area. \*Please Note: the balls may bounce or roll before finishing in the target area.
- 3 Write down how many balls finished within the target area.

## chipping

### 1 eagles nest

- 1 Chip 5 balls from a position 4 metres away from a hole, with a 2 metre radius circle around it (target area).
- 2 The challenge is to chip 5 balls that land within the target area. \*Please note: the balls do not have to finish within the target area.
- 3 Write down how many balls landed in the target area.

## 2 dead weight

- 1 Chip 5 balls from a position 8 metres away from a hole, with a 2 metre radius circle around it (target area).
- 2 The challenge is to chip 5 balls into the target area. \*Please note: the balls may bounce or roll before finishing in the target area.
- 3 Write down how many balls finished within the target area.

## full swing

### 1 shoot out

- 1 Hit 5 shots from a position 100 metres from the markers - players can use the club of their choice and a tee may be used.
- 2 The challenge is to hit 5 balls through the markers, without bouncing.
- 3 Write down how many balls were hit through the markers, without bouncing.

## 2 wicked

- 1 Hit 5 shots from a position 150 metres from the markers - players can use the club of their choice and a tee may be used.
- 2 The challenge is to hit 5 balls through the markers. \*Please note: the balls may bounce or roll through the markers.
- 3 Write down how many balls were hit through the markers.
