There are a few unclaimed prizes, so please remember to check your tickets at the bar next time you attend.

### Sheffield Union

Chesterfield Golf Club has escaped relegation thanks to an excellent performance by its Sheffield Union Scratch Golf Team. The Chesterfield players took a 7-1 victory against Crookhill GC to secure their place in the Second Division next year. As a consequence, Crookhill GC were sadly relegated to Division Three. It needed a 5&3 win by Darren Coop, a 4&3 win by Matt Marriott and a third win of 2&1 by Jamie Boler plus a strong comeback over the last few holes by Matt Lawrie, to finish all square to steal the win and secure Second Division Status.

It was pleasing to see the two new members, Michael Taylor and James Hewitt taking part in the competition, however the Junior Vice Captain Philip White had an excellent round of 41 points to retain the cup for the third year in succession, well done to Philip, runners up were George Parry with 39 points and Gianni Risorto with 33 points. ## Social Events

### Ron's 75<sup>th</sup>

As a complete surprise to Ron Neale his 75th birthday was celebrated Thursday August 19th with a game of golf with his regular golfing partners, followed by a dinner in the clubhouse at lunchtime.

Seventeen of Ron's friends sat down with him to Neil & Nicola's usual high quality meal and service, following which the Captain - John Guard proposed the birthday toast.

All Ron's friends contributed to a voucher from the professionals shop and this was presented to Ron by Bob Adams.

Peter Copley rounded off the lunch with his own version of the comedy show.

An arrangement of flowers was presented to Ron's wife Hillary from all the guests for her generosity, and being clever enough to be able to plan the day without Ron's knowledge.

*Would you like to arrange a special celebration for friends and family ? ... then do contact Neil or Nicola.*

## Grounds

Although concerns have been expressed about the timing of the recent course work, August is recognised as the best month to undertake this activity. The results have been very encouraging so far and the final phase of the programme ( the application of 20 tonnes of top dressing to the greens and aprons) was completed last week.
