**Wishing a happy and prosperous
New Year to all our Readers**

New Year's Eve

Around 135 members and guests enjoyed a wonderful evening at the Club and welcomed 2011 in style. All our thanks go to the House and Social Committee for their organisation and to Neil and Nicola for providing bar and catering facilities for the evening.

Course News

As you will have seen if you have played over the festive season, we are recovering well from the snow and ice of December. The course is still frozen and, as a consequence, is not particularly wet. This situation may well change as the frost comes out of the

ground and temps will probably remain the order of the day for the foreseeable future. We'll get back to greens as soon as possible.

House News

Unfortunately, the Chancellor is making his presence felt at the Golf Club, his rise in VAT from 17.5% to 20% is having an impact on clubhouse prices. With effect from the 4th January all bar and catering prices will rise by 2p in the pound. No-one is making any profit from this increase, we're just collecting on behalf of the government. Unpopular as it is, it is also unavoidable I'm afraid.

Forthcoming Event

The Captain's Last Dance is to be held on Saturday, 12th February. Watch out for the list which will be going up on the board this week. Get your names down early to avoid missing the celebration of John Guard's year.

Competitions

'The Mail on Sunday Classic is the biggest golf club team competition in the world.'

A team of five gents is required to represent the Club in this event. If you are interested please enter your name on the list in the foyer.
