Dear Member,

### **Annual General Meeting - Monday, 21<sup>st</sup> February 2011**

As we all know, the AGM will take place this coming Monday at 7.15 p.m. We would like as many members as possible to turn out on Monday night. This is an important opportunity to recognise service to the Club, and to you as Members, in electing the President, Captain and Vice Captain for the coming year. You will also be able to recognize the new Lady Captain as she takes up her role.

Please be aware that there is a gentlemen's dress code of jacket and tie and we would like all members to please comply. Also please note that the opportunity for proxy votes has now closed.

The main business of the meeting will be to discuss and vote on the subscription proposals for October 2011. There has been lots of feedback on different aspects of the proposal.

The introduction of a 6-day membership category gives some people concern.  
The reduction of £30 in the Veterans' discount has opponents.  
Conversely, the continuation of any kind of Veterans' discount has drawn criticism.  
Of course, the overall increase in subscriptions has worried some people.

The subscriptions paper, which includes all of the above, is one proposal and a single vote only is allowed.

The General Committee has spent many hours discussing and agreeing the proposal. It is intended to reflect the overall feeling of our members that they want to be part of a quality golf club with a quality golf course. The main thrust of the proposal is to build on the improvements we have made and are planning, and to implement more and continuous improvement. We want to sustain a high quality Club and course at a very competitive price.

Please come along on Monday, ask your questions and listen carefully to the discussions. You have the opportunity to express your views for future consideration. You will then have the opportunity to vote. Put aside the irritation to you personally in the proposal. Recognise the overall ambition and keep the improvements going or stop the progress in its tracks whilst there is a re-evaluation of what we need to do. It really is up to you.

Please turn out, come early, and spend some money at the bar. It should be a cracking night!

Have a great weekend
