Course Report

Monday saw the annual visit from the

STRI and their agronomist, Adam Newton. Prior to the visit we sent some soil samples from our greens to be analysed and during the visit we tested green speed, moisture, firmness, trueness and smoothness. Considering the year we have had, the results were very good and the report will be published shortly. My thanks must go to Terry Woodhouse and Alan Miles for turning up and assisting with the testing.

As a result of the visit we have already started on some of the work recommended. The fairways on 1, 4, 5 and 7 have been raked to remove some of the dead grass that was restricting the new grass shoots from coming through. The greens have also been sprayed with a liquid feed to help the grass fight off the disease outbreak and we have also started a light top dressing of the greens. The fertiliser that was applied to the tees and approaches has certainly worked well.

After the hard work from the team in getting the greens into great condition following recent course work can I please ask everyone to try a little harder to repair their pitch marks.

The Annual Dinner Dance is on Saturday 17 November and it is hoped that you will all give this event the same fantastic support that you have been giving to the ones we have had, it really does make a difference.

New Year's Eve plans

You will all have received an email outlining the thoughts that members of the House and Social committee have had about this event. We've received some feedback, but would love to hear more. Please share your thoughts and ideas with Chris Lightfoot, Peter Copley or Liz Day as soon as possible to enable them to be considered before plans are finalised.

Club House Improvements

We're about to invest in a clubhouse re-vamp to improve the experience for members and visitors.

The foyer, lounge and dining room areas will be re-carpeted.

The dance floor area will also be moved to a more central position in front of the area where bands regularly play.

We're also currently assessing quotations fore redecoration of these areas.

It is planned that the decorators will start in October and as soon as they are finished the carpets will be laid.

Hopefully if all goes to plan it should be finished in time for the Annual Dinner Dance.

Further information will be communicated to you as and when it is available.

Junior News

Our juniors continue to do well and have had a very busy week. A big thank you to John Barker for arranging two qualifying competitions.

Jack Barker-Sabido won Tuesday's 18 hole event with 39 points from Olivia Streets on 36. Eva Myers won the 9 hole event with 21 points from Evie McNeil with 19 points.

Thursday's qualifier saw Olivia Streets winning with an impressive 45 points from Joe Streets on 41 points. Jack Sweet and Harvey Sands also broke par with 40 and 38 points respectively.

Both events are a clear indication that our 2017 and 2018 intake are developing at pace with club and county representation just around the corner.

Well done to Benjamin Wharton who played in the US Kids Final at St Anne's.

For those not playing in the Futures Tour on Sunday there will be an opportunity to play as usual at 3.50pm
