## Congratulations to secretary Sean Boyle

Many of you are aware that Sean has just taken part in a 980-mile cycle ride from Land's End to John O'Groats—raising money for Parkinson's UK. Thanks to very generous support, including from many golf club members, he has raised over

£4,000.

He cycled over 100 miles a day for nine days and has suffered some injury, including a biker's sore bum!

However your generosity has made it all worthwhile.

Thank you all so much.

At the finishing line he got engaged to Claire and on behalf of you all I would like to extend our congratulations to them and wish them every happiness.

## Il Mondo travel junior donation

On Tuesday Jo and Annie of Il Mondo presented Junior Captain Jack Barker-Sabido with a cheque for £100.

This money is as a result of members booking their holidays through them and their way of saying thank you to the golf club for supporting them in their business.

### Clubhouse renovations

Refurbishment work—which will include redecoration and new carpets in most of the clubhouse - has started this week in the dining room. I am pleased to report all is going to plan and work is on schedule.

There will be some disruption while the work takes place, but we are doing all we can to keep this to an absolute minimum.

The secretary's office will continue to keep you up-to-date with progress via email.

### Socials

The Spanish Tapas Night was well attended and Neil put on a great choice of food, starting with a selection of starters which were placed on the table for us to pick at.

Following the starter we were brought a further selection of main course dishes to the table, all of which were very tasty.

Having gone round to most of the tables to gauge reaction, I got a very positive result and many people said that they would welcome a repeat evening in the future. Well done Neil and your team.

The next Dress Down Night is Friday 23 November and is going to be one of Neil's Chinese Feast Nights so don't miss out as they really are excellent.

The Annual Dinner Dance takes place on Saturday 17 November and the booking sheet will be going up in the very near future. It would be lovely if we could make this a sell out so please do come to this our main formal event of the year.

The New Year's Eve bookings sheet will also be going up very soon.

Remember you can reserve a table, but there'll be a more flexible approach this year to enable people to pop their name on the list and sit with who they want to on the evening.

The Christmas Carol event with the Ireland Colliery Band will be on Friday 14 December. Those attending the event last year will remember what a great evening it was so look out for the sheet when that goes up so that you don't miss it.

### Juniors

#### GolfSixes

The Juniors won the Golf Sixes final golf match at Shirland golf club Sunday after-

noon. Our team won by 1 point with Shirland second.

They have played all summer against 3 other clubs, home and away. 12 of our juniors made up the teams over the summer.

The squad received their medals and the trophy with Academy Captain Jacob Perkins giving a thank you speech at the end.

The other teams were from Grassmoor, Shirland, and Matlock.

**Derbyshire League semi-final** – we lead 4-0 from the first leg at Shirland after an outstanding display, and host Shirland this weekend in the second leg. Jack Barker-Sabido, Louie Cole, Joe Wright and George Marsden all played superbly to win their matches easily and give us a 22 hole advantage.

**Derbyshire Schools' Matchplay.** Three of our juniors, Jack Barker-Sabido, Louie Cole and Harvey Sands progressed to the semi-finals, where Jack beat Louie 1 up to reach the Final, though Harvey lost to Ella Whaley from Matlock. In the Final Ella beat Jack, and Harvey beat Louie in the playoff game.

**Midland League** - Jack, Harvey, and Louie were all part of the victorious Derbyshire under 16s squad who became Midland League Champions with away wins against Staffordshire and Warwickshire in recent weeks.

**Kedleston Junior Open** - Jack was runner-up in the Division 1 category and George in the Division 2 category.

16 of our juniors now have CONGU handicaps

the 19 September were quickly followed on 20 September with a calm day but the heaviest rainfall that I can remember. From noon to midnight we recorded 66mm of rain and this was followed by 15mm until 6am Friday. That was more rain in an 18-hour period than we had had over the past 100 days!

Unfortunately, areas of the golf course were very slippery due to the lack of grass coverage and we had to take the decision to close the course. The lads have worked extremely hard this week to get the bunkers back in play after they were all washed out. This week also gave us our first frost of the season on Tuesday.
