Event:	Pro's comp (no booking)	Derbyshire Under 18s (3pm-3.20pm)		Ladies Comp (9am-11am)			

AGM

The Club AGM took place on Monday 18 February with over 90 members attending.

Many congratulations to Paul Bywater who was duly elected as Club Captain and Barbara Sims as our Ladies Captain.

We all wish them a very happy and fun-packed year.

The following positions were also confirmed:

President—Andrew Elliott
Vice Captain—John Begley
Ladies Vice Captain—Sue Drake
Junior Captain—Louie Cole

The Special Resolution relating to the changes required in the Articles of Association and Alteration of Bye Laws was presented by Peter McGowan and members

were invited to make comment and ask questions. The necessary threshold of 75% support was comfortably achieved, with 92% voting in favour.

The following Ordinary Resolutions also obtained a high majority vote.

Amend the joining fee for young members aged under 35 years old to £200 (92%)

Subscription increase of 3% (83%)

The following members were elected to serve on the Board for three years

Peter McGowan
Liz Day
Pete Howitt

The evening was extremely well conducted and I would like to express my thanks to all those who enabled it to run so efficiently.

LAND UPDATE

Members' update on the plan to develop land alongside holes two and three

Strata, with CGC's approval, are intent on promoting the land alongside holes two and three for residential development. Some of this land is within the boundary of Chesterfield Borough and the other part is within the boundary of North East Der-

bysshire. All the relevant land is presently designated as Green Belt.

The North East Derbyshire Land

The North East Derbyshire District Council (NEDDC) Local Plan was submitted for examination by the Planning Inspector on 24 May 2018. This plan does not allow for the release of our land from Green Belt. Strata Homes have instructed their planning consultants, DLP to challenge this.

Hearing sessions on several main matters were held in November and December 2018. DLP have made detailed submissions to the Planning Inspector to remove our land from Green Belt so as to enable it to be considered for residential development.

The Planning Inspector is holding final hearing sessions at the NEDDC Offices in Wingborough between 13-15 March 2019. DLP will be participating in those hearings.

Current estimates are that the Planning Inspector's Report, will be published before the end of May 2019 and the NEDDC Local Plan will be adopted within a month afterwards. Therefore, we should know whether or not the Planning Inspector supports our aims by early summer this year and I hope to report in detail, at that stage.

The Chesterfield Borough Land

In December 2018 Chesterfield Borough Council (CBC) approved a draft of the new Local Plan for public consultation. It updates the overall strategy for the borough until 2033. The draft Local Plan states that the Green Belt will be maintained and enhanced. This means that if the Local Plan is adopted the land will remain in Green Belt and will not be developable until after 2033.

CBC had to invite all interested parties, (including Strata, through its planning consultants DLP) to comment on its draft Local Plan by 22 February 2019. This is the final consultation stage before the Local Plan is submitted to the Planning Inspectorate for an independent examination. The timetable is about a year behind NEDDC. I will keep you updated on any material development.

Peter McGowan

TWIG CLEARING

A large group of juniors, their parents and friends all joined a twig-picking session during half term, armed with rakes and other tools to clear debris from around the course.

Some of the ladies who played after they had begun their task were so impressed as to how quickly they had all got on and how they managed to never be in anyone's way when they were playing. Well done everyone.

As you can see in the photograph provided they are all sitting at the halfway house enjoying a well earned drink and a bacon buttie.

Many thanks from us all for your sterling work on the course, it really makes a difference.

SOCIALS

Captain's First Dance—Saturday 16 March

We still have a few vacancies, so, please can we get the last table full?

It would be great if we were to see some new faces, perhaps some of the new members would like to attend and bring their partners, I can assure you they are good fun and you'd be made very welcome.

Captains' Drive In—Sunday 24 March

There has been a terrific response and the entry sheet is full, however, this does not stop members coming along to the 10th Tee to see them drive off. The more the merrier!

Egyptian night— Friday 22 March

Tickets are still available for this charity event, priced £10. Please buy them from Ladies' Captain Barbara Sims. Proceeds will go to her chosen charity, the NSPCC.

The talk is on the latest Egyptian tomb discovery and I am sure will appeal to both men and ladies.

Included in the ticket price is jacket potato with a filling of your choice.

Please do support this and bring your friends.

Friday 29 March Dress Down night (Chinese) has had to be **moved to Friday 5th April** so please make a note of the change of date.

Future dates for dress down nights are 26 April, 24 May, 28 June, 23 August, 27 September and 22 November.

Themes will be published as soon as they are available.

If you have any ideas for social events which would work well please share them with the House and Social Committee via Joan Bywater or Liz Day.

ADVERTISING OPPORTUNITIES

Advertising on our two clubhouse monitors and in the ebulletin continues to prove extremely popular.

It generates a good flow of income for the club, to keep subscriptions down and allow investment in the course and clubhouse, whilst offering advertisers excellent audience exposure.

If you know any businesses who may be interested, please ask them to contact Liz Day.

We've a host of other sponsorship opportunities available which can be tailored to an individual business' needs and budget.

COURSE CONDITION

I'd like to share some of the comments passed by members of the ladies' section following a competition on Tuesday:

- * Firstly how well the course was presented, particularly the general tidiness
- * Comment was also made on how well the back nine looked now that the stream had been made a real feature.
- * The greens are coming along . Although still playing a bit slow, they're recovering amazingly.

However, a number of pitch marks were still prominent—despite a recent appeal from our Course Manager for greater care – and I would ask that all members do their bit.

Another minor gripe was the lack of bunker etiquette. When one of our team landed in a bunker it was discovered that it had not been raked and her ball had landed in someone's foot print!

Again please take the time and remember to rake the bunker after you have taken your shot—leaving it neat and tidy for the next poor soul who finds it.

Our greens staff have really worked hard to get the course as good as it is under challenging weather conditions so I and the ladies would like to thank them all for their hard work and dedication.
