The dancing started with both the Ladies Captain and Mr Captain taking to the floor with a jive, and very impressive too!

This was quickly followed by everyone getting up and dancing to this very popular group as can be seen from the photograph.

Both Captains enjoyed their first event and fun was had by all.

## CAPTAINS FIRST DANCE

Both Mr Captain and the Ladies Captain and their partners greeted all their guests at their first dance on Saturday 16 March.

The evening was very well attended with approximately 90 members and guests

Neil and his staff put on a very good buffet meal during which the singer from the Northern Line band entertained us.

After the meal the Captain drew the raffle for the parking space, the winner was John Davenport. Proceeds from the raffle going to British Heart Foundation and NSPCC, the Captain's charity's for the year.

## CAPTAINS DRIVE IN

The Captains drive in took place on Sunday 24 March, they were blessed with lovely weather, unlike last year when it had to be cancelled due to snow three times!

### JUNIOR REPORT

Our Juniors have been working hard over the winter with weekly coaching sessions from both Shane and Ethan.

Our initial intake have made great progress with fourteen now proud owners of a CONGU handicap - of particular note is the progress of Olivia Streets who has represented Derbyshire and recently secured a 6&5 victory over her latest opponent.

The Juniors Prosperity Winter OOM has just finished with the following winners:

Gross - Winner = Olivia Streets

Runner Up = Jamie Hunt

Nett - Winner = Joe Streets

Runner Up = Joshua Clough

Over the past couple of weeks we have been delivering Tri-Golf sessions to 400 children in three Primary Schools as part of our commitment to the Golf Foundation and our role as an accredited Golf Roots centre. The aim is to recruit a further 10-15 cadets to the Junior Section.

Finally the Junior Section has invested in resources to upgrade the Juniors Academy Course - new mats, tee markers with yardages and stroke indexes along with a new scorecard will be introduced over the next few weeks.

### LADIES COMPETITION

The final of the ladies winter knockout was played on 21 March, a good competitive game played in the true spirit of golf. Winners - Jill More/Lynn East, runners up - Barbara Sims/Hilary Cherry.

### AN UPDATE FROM OUR ASSOCIATED PROFESSIONAL GEORGE WOOLGAR...

Hi everyone, I hope you are all well. It's been a very busy time for me since the New Year. I've been working hard with my coach Andy Rosington to help keep me improving and continuing to become more efficient with my movement. It has also

been a great help catching up with Brain Hemmings.

I've been working hard in the gym to become stronger and it's been great to have some planning sessions with Andy to prepare for the season ahead, as it's been a few years since I've had the chance to do this.

The weather we've had over the winter has been unbelievable so taking advantage of the dry conditions and playing local tournaments and practising off the grass has been beneficial.

I've had some good results in the local events and also on the Tour that I've been playing in Portugal. This shows that the work I've been doing is showing some reward. We decided to go back out to Portugal in February as the events I played in November were great, so I was off to play the Portugal Pro Golf Tour and play 7 events. The first trip swing 6, we played at Penina which there was two events. I finished T9th and T4th and then the other event was at Palmares and I finished T21st.

I came home for 4 days so it broke up the 5 weeks form being away. The week I had was busy as I went to check my equipment down at golf Principles, which is in Basingstoke and I was fitted for a different iron shaft, which gave me better data from the current one I was using. So this showed me again that the work I've been doing with Andy and in the gym work is making me stronger and more efficient.

I had a local pro am at Lindrick Golf Club and I won which was great. Seeing Archie and Becks for the four days helped but the week seemed to go so quickly.

I was back on the plane to Portugal to play Swing 7 which was played around the Amendoeira Faldo and O'Connor courses. We had two events there and I finished T-31st and then T-6th. The Faldo event was played in poor weather conditions and I only managed T-30th. To be honest I thought the Faldo course was awful and it wasn't Nick's finest work, plus the greens condition was really poor. I finished high enough on the Order of merit to qualify for the Tour Championship which was played at Troia Golf resort on the peninsula south of Lisbon. I must say this course was one of

the best courses and resorts I have ever been too. I've been very lucky that my job has taken me to play some fantastic golf courses around the world but this little gem has to be right up there at the top. The condition of the whole place, the layout of the course, the practice facilities, it was unbelievable to say it was March and the putting surfaces were the best I've been on for years. In the tournament I finished T-10th. So the 7 events I played in I had 4 top ten finishes. It has showed me where my games at and where we need to improve for the main season coming up. It was so important for me to get back out there playing in tournament conditions and being in contention. I was a little disappointed not to come out on top in one of the events, but its set me up great for the season ahead.

Since I got back home it's been full steam ahead. I do have some exciting news for Team W, Terry Foy and Phil Morris who I played in the Wheatley Pro am back in December where I won their annual pro-am, have confirmed Sponsorship for 2019. I would just like to welcome Terry and Phil and looking forward to working with them both in 2019. Also Mark Tipper has confirmed his continued support which is fantastic. I still have my support from Titleist and Footjoy. So it's been a nice time in the Woolgar camp, I've been able to do my job properly again, the results have been coming in and also on the business side, positive things have been happening. My updated schedule will be on my notice board in the foyer.

### SOCIALS

The next Captains social will be the Ferret Race Night on Saturday 4 May, if you have never been to one of these then please do give it a try because I can assure you, you will not be disappointed, it really is a fun packed evening.

We are still looking for sponsors for the races, also ferret owners so anyone willing to part with a little more money we will be happy to take it!

Dress down night on Friday 26 April is a French theme. Please do come along and bring friends on these occasions as they are relaxed and good value.
